

# **DIRECTOR/CLINICAL TEAM LEADER**

## **Gore & Districts Community Counselling Centre**

The Centre is a small private agency which has served the Gore community and neighbouring rural areas for some 30 years. We are seeking a dynamic and enthusiastic person who will lead the Centre into the future.

### **The Director will:**

- lead a team of committed and professional counsellors and provide direction for the Centres services
- manage relationships well with stakeholders to further the work of the Agency
- have clinical skills to act as Clinical Team Leader
- be able to communicate well and have a strong understanding of bicultural and multi-cultural environments
- have a good knowledge of social service design and delivery and an ability to think strategically
- have a social work, counselling or related qualification

This is a challenging and rewarding leadership role.
